The Loxdale social calendar lasts throughout the year. Our varied programme of activities includes cultural excursions salsa lessons, games evenings, films, barbecues, sports activities, quizzes, cooking and much more. So let your hair down and have fun!

The school also has a well-equipped common room and a computer room for students to use in their free time.

Value for money

Whilst always maintaining the highest academic standards, Loxdale courses are competitively priced and represent excellent value for money.

Loxdale English Centre is also a Swedish Folk High School. This means that adult students from Sweden are eligible to have their course fees financed through a government grant, effectively making the course free.

For further information in Swedish about grants or funding for accommodation and food please look at the Braheskolan website www.braheskolan.se. Look under 'Värt att veta' and in the section on 'studiestöd'.
